

## **Mon CF People's Health Trust Community Chest Fund (Holyhead Only)**

Small grants fund of up to £500 for Organisations / Community Groups working in or benefitting people in Holyhead.

### **Criteria**

In all cases eligibility for funding would be dependent on applicants demonstrating the following:

- the Organisation / Community Group is within, or benefits people, from Holyhead
- the relevance of the proposal to the People's Health Trust ethos (refer to the People's Health Trust website); attention should also be drawn to the PHT Annual Review.  
<http://www.peopleshealthtrust.org.uk/local-conversations>
- <https://www.peopleshealthtrust.org.uk/about-us/annual-review>
- that the beneficiaries would be primarily people most in need of support (socially excluded, young people, elderly, those with a disability or those experiencing high levels of deprivation etc).
- that the impact of the project is clear and the outcomes of the project are measurable
- that there is demonstrable community support for the proposal and that that the funding would be used to bring people together
- that the funding will not be used for behaviour changing activities e.g. exercise, sports, smoking cessation, weight loss etc)
- clearly define how project benefits, finances and outputs will be relayed back to the Local Conversations Community Chest Grant Panel or through Mon CF Anglesey

**Subject to proposals meeting these requirements, the following activities would be eligible for funding:**

- education and training initiatives, workshops or information events inc. practical sessions.
- events or activities that bring the community together – inc. play facilities

**The following list gives you some idea of what the Fund is NOT ABLE to support (this list is not exhaustive):**

- applications for unspecified items e.g. contingency money or for any form of vehicles
- retrospective applications, for example we would not accept an application for equipment which has already been purchased or an event which has already taken place
- staff costs for permanent or contracted posts. The Fund will consider applications for fixed term, seasonal workers or non-contractual work (i.e. play schemes)
- applications cannot be made on behalf of a project for another group, if the group is unconstituted but meets all other criteria the group should discuss the matter further with Môn CF
- duplication or additional funding for a project

### Who can apply?

Organisations and Community Groups are eligible if they:

- are a community led or non-for-profit Organisation
- are working in and involving people from Holyhead
- have a constitution or set of rules, dated, and signed as "adopted"; by the Chair, or other senior office holder on behalf of the Group.
- spend the grant in the appropriate timescale and use the grant only for the purpose agreed in the offer letter

### Who is **NOT** eligible for funding?

The rules of the Fund prevent the following Community Groups/Organisations/Individuals from applying.

- Political Organisations, Town and Community Councils and Statutory Organisations
- National Organisations, unless the Group is a local branch with local management / accountability arrangements and hold a bank account
- Organisations whose annual turnover exceeds more than £150,000
- Schools - however, the school PTA/Friends may apply to the Trust Fund provided the funding is **NOT** to carry out improvements to the building or grounds or is to provide equipment or educational trips, which could reasonably be expected to be provided by the LEA.

Please note that the Community Chest Grant Panel have the overriding decision-making authority for Mon CF's Local Conversation Community Chest Fund. They are within their right to change the value of funding awarded to a Group or Organisation subject to the panels unanimous approval.

The Community Chest Grant Panel may invite each applicant to informal interview for assessment and will also take the opportunity to make site inspections to gain a further insight into projects and their respective organisations.
